

# Respiratory Support

Good Herbs Respiratory Support is made with pure unaltered chemical-free natural herbs that provide respiratory health support. Your respiratory system includes airways lungs blood vessels and muscles that work together in order for you to breathe. Respiratory Support contains a proprietary herbal blend of organic or wild-crafted herbs that help support healthy lungs and bronchi for a healthy respiratory and immune system.

## BENEFITS OF RESPIRATORY SUPPORT

This powerful respiratory formula contains Garlic, Mullein, Oatstraw, Blessed Thistle, Elecampane Root, Marshmallow Root, Bugleweed and Yerba Santa. This supports the entire respiratory system including the airways, lungs, blood vessels, and muscles that all work together making it easier for you to breathe.

### Application:

- Lung congestion
- Improves respiration
- Strengthens lungs
- Promotes oxygenation of the lungs and body
- Helps remove excess fluid around heart and lungs
- Clears respiratory congestion
- Soothes mucus membranes
- Liquifies and moves mucus out of lungs
- Dilates bronchial tubes

**Garlic** is effective against bacteria that are resistant to standard antibiotics. Has been used for lung and bronchial infections, mucus conditions, coughs, asthma, and spasmodic coughs.

**Mullein** soothes mucus membranes, reduces swelling and pain. Gives mucilaginous protection to inhibit absorption of allergens. Stimulates fluid production to aid expectoration.

**Oastraw** contains high level of silicic acid and calcium, good for building bone and connective tissue. Used for painful spasms and chest ailments

**Blessed Thistle** aids liver and stomach and, thus, mucus-creating conditions. Good for bleeding and congestion in lungs.

**Elecampane** is specific for irritating bronchial coughs. Anti-bacterial, rejuvenating tonic for the lungs, strengthens lung muscles and promotes longevity of lung tissues. Absorbs water from the lungs and reduces swelling, specific for chronic mucus.

**Marshmallow** Soothes and heals mucus membranes, good for inflammation, irritation.

Therapeutic Action: alterative, anti-inflammatory, antilithic, demulcent, diuretic, emollient, expectorant, vulnerary.

Bugleweed is a sedative on coughs, especially of a nervous origin. Good for chronic inflammations of the lungs and all congestive chest problems. Astringent, decreases capillary (small vessels) circulation and blood flow for treating hemorrhage from lungs. Contracts body tissue to a more firm and solid state.

**Yerba Santa** dilates bronchial tubes. Promotes salivation to deal with dryness and thirst. Good for upper respiratory congestion. Improves digestion to help eliminate cause of mucus.
